QUALITY MANUAL REVIEW/QMS EXCLUSIONS: 7.3

Your organization's Quality Manual has been received, reviewed and found to be in conformance with the Licensing and/or Registration Program requirements and the applicable quality management system standard(s).

Please note that this notification does not authorize your organization to begin using the API Monogram on any product or organization documentation at this time. Furthermore, your organization is not authorized to begin using the APIQR Registration Marks on any organization documentation at this time. Your organization must successfully complete an initial site audit, including obtaining notification of acceptance of all corrective actions for any nonconformances identified during that audit. Formal notification will be issued thereafter.

During the next few weeks, an audit of your organization will be scheduled and performed to verify implementation of your quality management system and any applicable exclusion(s).

Should you have any questions or comments, please contact Edwin Bailer at (202) 682-8034 or email to bailere@api.org.

Very truly yours,

AMERICAN PETROLEUM INSTITUTE
